

THE NEWS FROM MICANOPY.

Sad Death of Mrs. Dillard—Farmers Busy Shipping—Other Notes.

Micanopy, May 3.—Miss Anesta Abernathy, a trained nurse who has been spending several months in Louisiana, is spending her vacation with her mother and sister.

Miss Sarah Brown, who has been quite ill, we are glad to say is better.

Rev. and Mrs. C. M. Gordon returned Monday from Archer, where they attended the installation service of Rev. Wadell.

The sad death of Mrs. Dillard occurred last Wednesday morning, and the funeral was held in Micanopy cemetery Thursday morning at 10 o'clock. Deceased has been a sufferer for several years from that dreaded disease, consumption.

Miss Eloise Richmond, a young nurse of Jacksonville, who has been visiting her friend, Miss Abernathy, for the past week, returned to Jacksonville Sunday.

Mrs. Evans and daughter, Miss Augusta, were visitors to our town today.

Rev. E. A. Fray is still carrying on his meeting. We are in hopes this meeting will "revive" some of our people.

Mrs. Godwin and little son, Willie Lee, of Fairfield spent Tuesday and Wednesday in town.

Mrs. M. E. Simmons of Maitland is here on a visit to her daughter, Mrs. J. B. Simonton.

MARCH JURY UNSETTLED.

Considerable Delay in Coroner's Jury Returning a Verdict.

There seems to be considerable delay in the matter of reaching a verdict by the coroner's jury at High Springs in the case of the killing of Ollie Witt by Officer M. R. March at that place Wednesday morning. Up to a late hour the jury had failed to return a verdict, with the result that the matter stands just where it did when the jury took the oath.

There are no new developments. The town of High Springs is quiet, and no excitement prevails.

Officer March has been placed under arrest as a matter of form, but Sheriff Fennell, who returned from High Springs, states that the man was released on his own recognizance.

Mr. March visited this city and spent several hours here Thursday.

WESLEY HALL ARRESTED.

Must Stand Trial for Alleged Sale of Liquor Without U. S. License.

Deputy United States Marshal Bishop of Ocala arrived the city yesterday and arrested Wesley Hall upon a charge of selling liquor without having in his possession a United States license.

The arrest was made upon an old charge. It will be remembered that some time ago Hall was arraigned in the courts of this county upon a charge of selling liquor in a dry county, and was convicted, sentenced and served his time. It now appears that he held no government license, and it was upon this charge that he was re-arrested by United States authorities.

Hall spent last night in the county jail, and will be taken to Ocala by Officer Bishop to answer to the charge today.

Hartman—Ramage.

Wednesday afternoon at four o'clock, at the residence of Capt. and Mrs. A. W. G. Torbert in this city, there was solemnized one of the prettiest home weddings that has ever occurred in the city, that of Mr. M. T. Hartman and Miss Bessie Ellis Ramage.

The bride is the lovely daughter of Mrs. A. W. G. Torbert, and is one of Alachua's best teachers.

The groom is well known in Gainesville, and is a young man of noble character. He has been connected with the E. J. Baird Company for several years. His numerous friends wish him all the happiness possible.

The bride wore a lovely gown of white silk, and carried a beautiful bouquet of white roses. The groom looked his best in a suit of conventional black.

They were the recipients of many handsome and costly presents. They will be at home to their friends at 503 North Garden street, this city.

A GUEST.

Seven Years for Cashier.

Cleveland, May 4.—A. B. Speer, cashier of the closed Citizens' bank of Oberlin, today in the United States district court entered a plea of guilty on one count of the indictment charging him with making false entries in the bank's books. District Attorney Sullivan recommended that all other indictments against Speer containing 15 counts, be nolle prossed. Judge Taylor at once sentenced Speer to seven years' imprisonment in the Ohio penitentiary.

Officials Must Appear in Court.

New York, May 4.—Justice Bitchoff today signed an order directing President James W. Alexander, Vice President James Hazen Hyde and Vice President Gage Tarbell, of the Equitable Life Assurance Society, to appear before him in the supreme court on May 11 for the purpose of being examined and making a deposition as to the facts and circumstances under which the so-called amended charter of the Equitable Society was adopted.

Condemned Man Attempts Suicide.

Nashville, Tenn., May 4.—Tom Cox, sentenced to be hanged here for the murder of Policeman Ben F. Dowell next Friday, made a desperate attempt to commit suicide in his cell at the county jail here this morning by taking poison. His condition is critical in the extreme and the chances are against his recovery. Cox is perhaps Tennessee's most noted criminal of recent years. The killing of Policeman Dowell was of a most sensational character and Cox's trial attracted widespread attention.

\$200,000 Fire In Newark, N. J.

Newark, N. J., May 4.—Fire early today destroyed the paint works of Cawley and Clark on the Newark meadows. The loss is estimated at \$200,000. The building was 500 feet square and two and a half stories high. An adjoining building occupied by T. E. McCormack Leather plant was gutted and a number of small dwellings nearby were damaged. These buildings were occupied by employees of the factories in the vicinity. The cause of the fire is unknown.

The Descending Scale.

When a girl is first engaged she figures on a ten room house in the swell part of town. As time goes on the house gradually decreases in size until it is a four room structure. Then all the fancy trimmings are left off, and next the house is located in a remote part of town. Finally when the wedding comes off it is announced that the couple will reside with the bride's father.—Aitchison Globe.

Bills and Boards.

Bill had a billboard. Bill also had a board bill. The board bill bored Bill so that Bill sold the billboard to pay his board bill. So after Bill sold his billboard to pay his board bill the board bill no longer bored Bill.—Yale Expositor.

Women in Our Hospitals

Appalling Increase in the Number of Operations Performed Each Year—How Women May Avoid Them.

Miss Ruby Mushrush

Mrs. Fred Seydel

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds women and girls, who are either awaiting or recovering from serious operations.

Why should this be the case? Simply because they have neglected themselves. Ovarian and womb troubles are certainly on the increase among the women of this country—they creep upon them unawares, but every one of those patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at left or right of the womb, nervous exhaustion, pain in the small of the back, leucorrhoea, dizziness, flatulency, displacements of the womb or irregularities. All of these symptoms are indications of an unhealthy condition of the ovaries or womb, and if not heeded the penalty has to be paid by a dangerous operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation—but remember that Lydia E. Pinkham's Vegetable Compound has saved thousands of women from surgical operations.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, lassitude, excitability, irritability, nervous-

ness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, they should remember there is one tried and true remedy.

The following letters cannot fail to bring hope to despairing women.

Mrs. Fred Seydel, 412 N. 54th Street, West Philadelphia, Pa., writes:

Dear Mrs. Pinkham:— "I was in a very serious condition when I wrote to you for advice. I had a serious womb and ovarian trouble and I could not carry a child to maturity, and was advised that an operation was my only hope of recovery. I could not bear to think of going to the hospital, so wrote you for advice. I did as you instructed me and took Lydia E. Pinkham's Vegetable Compound, and I am not only a well woman to-day, but have a beautiful baby girl six months old. I advise all sick and suffering women to write you for advice, as you have done so much for me."

Miss Ruby Mushrush, of East Chicago, Ind., writes:

Dear Mrs. Pinkham:— "I have been a great sufferer with irregular menstruation and ovarian trouble, and about three months ago the doctor, after using the X-ray on me, said I had an abscess on the ovaries and would have to have an operation. My mother wanted me to try Lydia E. Pinkham's Vegetable Compound as a last resort, and it not only saved me from an operation but made me entirely well."

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Mrs. Pinkham invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.

Misleading Advertisements.

Hartford, Conn., May 4.—Action has been brought by the state of Connecticut through Attorney General King against the Equitable Life Assurance Society of the United States and the Mutual Life Insurance of New York, alleging that advertisements of the companies published early in the present year in a Hartford newspaper, do not correspond with the last verified statement made by the companies to the insurance department of this state. The penalty of \$500 provided by the statutes is sued for in each action.

Governor Not Called on.

Springfield, May 4.—Up to noon today Governor Deneen had received no request from Mayor Dunne, or the Cook county authorities to send state troops to Chicago to aid in protecting property and maintaining order in the strike infested districts.

"No request has come from Chicago for troops," said Governor Deneen. "If requests are made for state troops the request will be acted on at once."

The Hotel Brusher.

The position of brusher in the barber shop of a large hotel in New York is worth at least \$30 a week if a young man attends to his business. Hotel patrons are liberal tipsters. The brusher is expected to find seats for customers if the barbers' chairs are filled and to hand around the morning and illustrated papers. The boss barber pays them no salary. Permission to work in the shop is considered sufficient compensation. The hours are long, and in most cases brushers are allowed a boy as an assistant.

TO CURE ANY DISEASE.

The Cause Must be Removed, Same Way With Dandruff.

Kill the germ that causes dandruff, falling hair and baldness, you will have no more dandruff, and your hair must grow luxuriantly. Newb's Herpicide not only contains the dandruff germ destroyer, but it is also a most delightful hair dressing for regular toilet use. No other hair preparation is on this scientific basis of destroying the dandruff germ. It stops all irritation, keeps the scalp sweet, pure and wholesome. Remember that something claimed to be "just as good," will not do the work of genuine Herpicide. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. J. S. Bedford & Co., Special Agents.

Disappointment on Both Sides.

"You said the house was only five minutes' walk from the station," complained the victim. "To say the least, I'm disappointed in you."

"And I'm disappointed in you," replied the agent. "I thought you were a very rapid walker."—Philadelphia Press.

Setting Him Right.

"You think a good deal of your husband, don't you?" asked the visiting relative.

"You have the wrong preposition," answered Mr. Meekton's wife, with the cold tones of the superior woman. "I think for him."
